

Steps to Setting up your iShiplly.com Account

1. Go to COMPANY SETTINGS>>>MANAGE on the Menu options
 - a. You need to complete all fields in My Company Settings
 - b. Make sure you enter your address correctly like you would in Google Maps Search
 - c. Make sure the icon on the map is your correct address

The screenshot displays the 'My Company' settings page in the iShiplly.com interface. The page is titled 'My Company' and has a 'Settings' tab selected. The settings are organized into several sections: Company Details, Documents, Company Users, Banking Details, Micro Sites, and Location. The 'Company Details' section contains the following information:
